

Looking for **Storewide Communications?** Walk Down the Aisle with Our DECT Phone.

The Panasonic Multi-Cell DECT System is ideal for a wide range of retail establishments helping to ensure you never miss a call.

Panasonic DECT Wireless Solution for Retail

Anytime, Anywhere Access

Panasonic DECT handsets allow you to roam freely and still communicate seamlessly and effectively. You can stay in touch with staff and suppliers while being on the move. DECT wireless handsets keep you connected with employees and customers from the store aisles to the stock room without having to locate key personnel.

Dust, Water and Impact-Resistant

Ideal for use in locations such as the back office, store aisles, stock room, and shipping and receiving areas. The ruggedized DECT handset is protected against splashing water, humidity and accidental drops on hard surfaces. The IP 54 enclosure also keeps dust from penetrating and adversely affecting performance.

Convenient and Scalable Solution

Panasonic DECT wireless coupled with your Panasonic KX-TAW/TDA/TDE/NCP communications system offers the ideal mobile communications solution with up to a maximum of 128 cell stations.

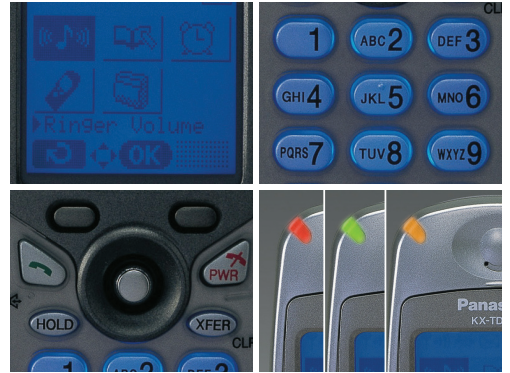

Panasonic **ideas for life**

Communication Made Easy

Panasonic offers reliable, flexible solutions for retail stores.

Elegant, Smart and Sturdy - Business Mobility Terminals

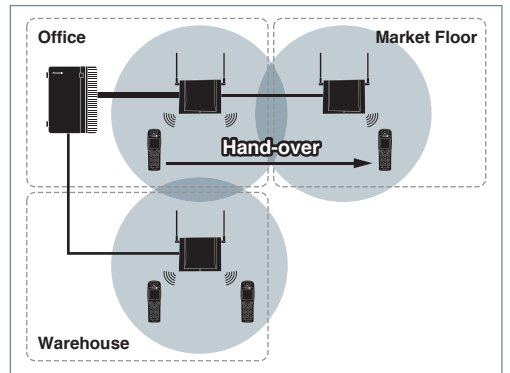

Handsets have a large, 6-line, blue backlit LCD and include all the features you'd expect such as Caller ID, personal and system speed-dials, and a built-in 100-entry phone book and distinct ring/LED options. The handset includes an intuitive Graphical Icon Menu and dynamic Operation Guidance with Soft Keys and a built-in Joystick.

Seamless Connectivity

This system provides automatic hand-over between installed cell stations - enhancing coverage and giving you true communication mobility even within large premises. Maintain high connection quality as you walk around, moving from one cell station area to the next while continuing with important business conversations.

With Panasonic DECT, multi-system Registration allows you to roam across up to 4 different phone systems with one wireless DECT handset for maximum flexibility.

A Rugged Model for Tough Environments

With its IP54 dust and splash resistance, the KX-TD7696 is a reliable communications companion when your work takes you to the stock room, warehouse, loading dock, or store aisles. The ruggedized case makes the unit shock resistant as well, to help prevent damage from accidental dropping on the floor.
