KX-TS500MX Integrated Telephone System

Outstanding Features with Built-In Quality

Choice of Five Colors

The KX-TS500MX comes in black, white, red, dark blue and grey. Choose one that adds a splash of color to your office, or the one that makes the best match with your office decor.

Wall Mountable

No room on your desk? Then mount the KX-TS500MX right on the wall, and enjoy its convenient features without giving up a lot of desk space.

Last Number Redial

This dials the number you most recently dialed. If you need to make a follow-up call or the line was busy the first time, just press the redial button.

Timed Flash

This function, which supports Call Waiting and PBX use, ensures that a caller is not accidentally cut off while on hold.

Electronic Volume Control

Even in mid-conversation, you can adjust the receiving volume of the handset to any of 6 levels.

3-Step Ringer Selector

The ringer volume can be set to Off, Low, or High. Set it to Off when you don't want to be disturbed during a meeting.

Switchable Tone/Pulse Settings

The KX-TS500MX can be switched between tone (pushbutton) and pulse (rotary), ensuring that it will work on either type of telephone line.
